

University at Buffalo
State University of New York

Western New York Regional Economic Database

Project Goals

- 1. Inventory current efforts/interview stakeholders—
Buffalo-Niagara and other regions**
- 2. Inventory existing relevant data/formats**
- 3. Determine action plan for connecting data/resources**
- 4. Prepare overall database design (blueprint,
technical specs)**
- 5. Re-interview economic development end users**
- 6. Create pilot project—limited geographic area
and data set**

Phase II: Pilot Project
